All measurements in millimetres. The dimensions shown are mean values and apply to standard-specification, unladen vehicles

Road Fund Licence

All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle's CO₂ emissions. A first year rate of Vehicle Excise Duty applies to new cars on their first year of registration. For the second and subsequent years a standard rate for each taxation band will apply.¹ The table below shows the bands (A–M) created by the DVLA and the corresponding Road Fund Licence. CO₂ emissions are listed in the technical specifications on pages 32–37, and the relevant Excise Duty is reflected in the on-the-road prices on pages 4 and 5.

A	up to 100 g/km	0.00	0.00
B	101 to 110 g/km	0.00	20.00
C	111 to 120 g/km	0.00	30.00

Mercedes-Benz Service Care

Service Care provides you with flexible and affordable options for servicing your Mercedes-Benz E-Class. It guarantees the price of parts and labour for the next two or three services and safeguards against any inflationary increases.

Service Care not only covers the cost of all standard service items that are highlighted in your service book such as oil, spark plugs, air filters, fuel filters and screen wash but also offers you a choice of convenient ways to pay.

You can choose either to add your servicing costs into your monthly spend or pay the full amount in a one-off payment, giving you peace of mind that they're taken care of for the period of the plan.

Please refer to www.mercedes-benz.co.uk/servicecare or speak to your local Retailer for more information.
