THE NEW BMW 3 SERIES SALOON.

JOY WINS.

With its power and poise, the new BMW 3 Series Saloon is synonymous with driving pleasure. It represents everything that typifies a BMW, sporting ability, elegance, clear aesthetics and pioneering technology. But it also offers individuality. This is underscored by three new models enabling you to give your BMW a distinctive personality. With Sport, Modern and Luxury models, the Saloon exhibits a versatility that makes them unique.

BMW EFFICIENT DYNAMICS.

EfficientDynamics is BMW's award-winning programme of technologies designed to reduce CO₂ emissions and improve fuel economy, without compromising on performance or driving dynamics. These technologies are standard on every new BMW and could lower your fuel and tax costs, as well as ensure a lower benefit-in-kind tax rating for company car drivers. You can find out more about the benefits of BMW EfficientDynamics, as well as compare your own vehicle against any BMW 3 Series model at www.bmw.co.uk/EfficientDynamics.
